

The Dutch Accreditation Council RvA, by law appointed as the national accreditation body for The Netherlands, hereby declares that accreditation has been granted to:

MASER Engineering B.V. Enschede

The organisation has demonstrated to be able to generate technical valid results in a competent way and work according to a management system.

This accreditation is based on an assessment against the requirements as laid down in ISO/IEC 17025:2005.

The accreditation covers the activities as specified in the authorized annex bearing the registration number.

The accreditation is valid provided that the organisation continues to meet the requirements.

The accreditation with registration number:

L 388

is granted on 25 September 2013

This declaration is valid until

1 October 2017

The accreditation has been granted for the first time on

28 September 2005

The Chief Executive

Ir. J.C. van der Poel
